Acne Treatment

Oily and Normal Skin

Step I:

Seborra Skutroller

The Precise and Fast-acting Pimple stopper.

The easy to apply gel is ideal at appearance of the first signs of pimple formation. Boswellia extract works against redness and swelling. Stress feeling and irritation are quickly reduced. Gluconolactone, a mild natural fruit acid, effectively counteracts the formation of new comedones and refines the appearance of the skin. The rolling pin with stainless steel ball guarantees a hygienic application. Apply the gel at the first signs of redness or swelling at one to four times a day

- Light, transparent gel - easy and targeted to apply.
- Urea has a moisturizing effect.
- Salicylic acid softens the Keratinized Skin.
- Fragrance-free
- Dermatologically tested

Composition

AQUA, GLUCONOLACTONE, UREA, SODIUM SALICYLATE, DIPROPYLENE GLYCOL, BOSWELLIA SERRATA EXTRACT, 1,2-HEXANEDIOL, CAPRYLYL GLYCOL, AMMONIUM ACRYLOYLDIMETHYLTAURATE / VP COPOLYMER, XANTHAN GUM, CITRIC ACID.

Step II:

Cleansing Foam

Pore-deep cleansing foam

The be all and end all in the care of blemished and impure skin is the cleansing. DERMASENCE Cleansing Foam is a pore-cleansing, mild preparation that does not degrease the skin too much and thus prevents increased sebum production. Through a pH optimization, the cleansing foam contributes to the regeneration of the acid mantle and refines the appearance of the skin. Its modern active ingredient combination of glycolic acid and salicylic acid counteracts blackhead formation and dissolves cornification.

- Ideal for oily and blemished skin
- Robust active ingredients combination of glycolic and salicylic acid
- Refines and soothes the skin texture
- Regenerates the acid mantle of the skin through pH optimization
- Ready to use foam, so gentle and convenient in acne-burdened skin
- Without propellant
- Skin-friendly-perfume that does not irritate skin
- Dermatologically tested

Composition

AQUA, DISODIUM COCOAMPHODIACETATE, PROPYLENE GLYCOL, PEG-7 GLYCERYL COCOATE, GLYCOLIC ACID, COCAMIDOPROPYL BETAINE, SODIUM CHLORIDE, SODIUM SALICYLATE, HYDROXYPROPYL GUAR HYDROXYPROPYLTRIMONIUM CHLORIDE, PEG-40 HYDROGENATED CASTOR OIL, SODIUM BENZOATE, POTASSIUM SORBATE, SODIUM HYDROXIDE, PARFUM.

Step III: Tonic

The hydrating tonic is mildly disinfectant and supports pH adjustment. It refreshes and soothes the skin. Due to minimal alcohol content, it is particularly gentle to the skin. Also suitable as a mild aftershave for men.

- Has a refreshing and gentle skin clearing after every facial cleansing
- Supports the restoration of the natural skin pH
- Hamamelis and bisabolol as well as panthenol and allantoin nourish and soothe the skin
- Contains moisturizing agents
- With low alcohol content (5%), particularly skin-friendly
- Skin friendly perfumed
- Free of Phenoxyethanol (a Preservative and Disinfectant that may cause Hypersensitivity and eczema, especially in young population)
- Dermatologically tested

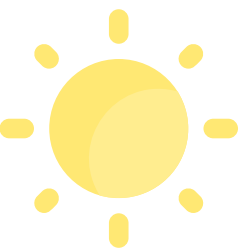

Composition

AQUA, ALCOHOL DENAT., GLYCERIN, HAMAMELIS VIRGINIANA (WITCH HAZEL) LEAF WATER, PANTHENOL, CAPRYLYL/CAPRYL GLUCOSIDE, ALLANTOIN, BISABOLOL, UREA, HAMAMELIS VIRGINIANA (WITCH HAZEL) LEAF EXTRACT, SODIUM COCOYL GLUTAMATE, POLYGLYCERYL-5 OLEATE, SODIUM BENZOATE, LACTIC ACID, POTASSIUM SORBATE, CITRIC ACID, GLYCERYL CAPRYLATE, POTASSIUM HYDROXIDE, PARFUM.

Step IV: PhytoClare (For Daycare)

The Gel Cream for impure Skin

The Sebum reducing gel cream for oily, acne-prone skin immediately soothes the skin. It prevents impurities and pimples. In the long term, the pores look finer and the skin clearer. An innovative complex of dyer's woad and other plant extracts that have an anti-inflammatory effect. The light gel formulation with Zinc PCA is absorbed quickly. PhytoClare is ideal as a foundation for make-up and can also be used in conjunction with other Acne therapy.

Composition

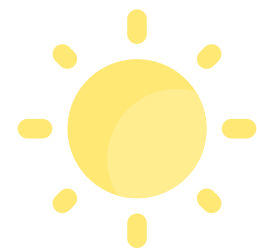

AQUA, CANOLA OIL, GLYCERIN, OCTYLDODECANOL, PERSEA GRATISSIMA (AVOCADO) OIL, PROPANEDIOL, HYDRATED SILICA, POLYGLYCERYL-6 STEARATE, NIACINAMIDE, SERENOA SERRULATA FRUIT EXTRACT, TOCOPHERYL ACETATE, PYRIDOXINE HCL, BRASSICA CAMPESTRIS (RAPESEED) STEROLS, ZINC PCA, RHEUM RHABBARBARUM EXTRACT, SALICYLIC ACID, ISATIS TINCTORIA LEAF EXTRACT, BISABOLOL, TOCOPHEROL, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, HUMULUS LUPULUS (HOPS) EXTRACT, POLYACRYLATE CROSSPOLYMER-6, PENTYLENE GLYCOL, GLYCERYL STEARATE, POLYGLYCERYL-6 BEHENATE, ETHYL FERULATE, PHENOXYETHANOL, HYDROXYACETOPHENONE, LACTIC ACID, SODIUM HYDROXIDE, CITRIC ACID, PARFUM.

Step V:

Cream soft/Soft LSF 30 (For Daycare)

Day care for acne and impure skin

The DERMASENCE Cream Soft is a skin-clarifying gel cream especially for impure and oily skin. It moisturizes and cools the Skin gently. The salicylic acid has disinfectant and keratin softening properties and thus refines the appearance of the skin. Bisabolol, panthenol, avocado oil and vitamin E soothe and nourish the skin. Thanks to the pleasantly light galenics, the gel cream is absorbed quickly. Thus it's wonderfully suited as a day cream and make-up foundation.

- Moisturizing care for oily skin, impurities and pimples
- Salicylic acid refines the skin texture
- Avocado oil, panthenol and vitamin E soothe and nourish the skin
- The cream prevents long-term greasiness
- Free of phenoxyethanol
- Dermatologically tested
- Suitable as a make-up base

Composition

AQUA, CETEARYL ISONONANOATE, PERSEA GRATISSIMA (AVOCADO) OIL, GLYCERIN, CARBOMER, TOCOPHERYL ACETATE, TOCOPHEROL, PANTHENOL, SODIUM STEAROYL GLUTAMATE, LECITHIN, DICAPRYLYL ETHER, XANTHAN GUM, BISABOLOL, SORBITOL, LACTIC ACID, SODIUM HYDROXIDE, SALICYLIC ACID, BENZOIC ACID, DEHYDROACETIC ACID, p-ANISIC ACID, ASCORBYL PALMITATE, HYDROGENATED PALM GLYCERIDES CITRATE, PARFUM.

Step VI:

Seborra Serum (Nightcare)

Skin Clarifying Night Care Serum

The high-quality skin-clarifying serum is ideal as a night care for oily, impure and acne-prone skin. An innovative complex of dyer's woad and other plant extracts has an anti-inflammatory effect. The mild fruit acid complex reduces inflammation and clears stuffed pores. The serum soothes irritated skin, reduces redness and can prevent the development of pimples. It leaves a healthy and clear Skin texture.

- Cooling, skin-clarifying serum for oily, impure and acne-prone skin
- The mild fruit acid complex reduces inflammation and clears clogged pores
- Regulates the excessive sebum production and prevents the development of pimples
- For a healthy and clear skin
- Dermatologically tested

Composition

AQUA, GLYCOLIC ACID, NIACINAMIDE, SODIUM HYDROXIDE, SALICYLIC ACID, PROPANEDIOL, GLYCERIN, ZINC PCA, ISATIS TINCTORIA LEAF EXTRACT, ESCULIN, BISABOLOL, RHEUM RHABBARBARUM EXTRACT, PHRAGMITES COMMUNIS EXTRACT, PORIA COCOS EXTRACT, TOCOPHEROL, PENTYLENE GLYCOL, CAESALPINIA SPINOSA GUM, GALACTOARABINAN, LACTIC ACID, SORBITOL, ARGININE, BENZOIC ACID, DEHYDROACETIC ACID, SODIUM BENZOATE, PARFUM.

Aloe Vera Active Gel

Cream Rich/Rich LSF 15

Nightcare

Cream + Mask

AHA Effects

Step I:

Cleansing Milk

Gentle cleansing for Dry and Sensitive skin

The sensitive and dry skin must be thoroughly rid of make-up, dirt and sebum. With its cooling and refreshing effect, DERMASENCE Cleansing Milk takes on this task in a gentle way. The active ingredient Plantacare® removes oil- and water-soluble particles gently. Therefore, the cleansing milk is very well suited for sensitive or dry skin as well as for make-up removal. Its moisturizing properties keep skin supple without negatively affecting the skin's acid mantle. At the same time, skin-calming ingredients, such as bisabolol, prevent irritation.

- With Plantacare® for the gentle removal of oil- and water-soluble particles, without negatively affecting the acid mantle of the skin
- Bisabolol calms the skin
- Vitamin E combats free radicals
- Has a cooling and refreshing effect
- Skin friendly perfumed
- Free of phenoxyethanol
- Dermatologically tested

Composition

AQUA, CAPRYLIC/CAPRIC TRIGLYCERIDE, GLYCERYL STEARATE CITRATE, DECYL OLEATE, GLYCERIN, ETHYLHEXYL STEARATE, PROPANEDIOL, COCO-GLUCOSIDE, TOCOPHERYL ACETATE, BISABOLOL, TOCOPHEROL, LECITHIN, SORBITAN CAPRYLATE, SODIUM LEVULINATE, SODIUM ANISATE, XANTHAN GUM, LACTIC ACID, SODIUM HYDROXIDE, PARFUM.

Step II:

Tonic

The hydrating tonic is mildly disinfectant and supports pH adjustment. It refreshes and soothes the skin. Due to minimal alcohol content, it is particularly gentle to the skin. Also suitable as a mild aftershave for men.

- Has a refreshing and gentle skin clearing after every facial cleansing
- Supports the restoration of the natural skin pH
- Hamamelis and bisabolol as well as panthenol and allantoin nourish and soothe the skin
- Contains moisturizing agents
- With low alcohol content (5%), particularly skin-friendly
- Skin friendly perfumed
- Free of Phenoxyethanol (a Preservative and Disinfectant that may cause Hypersensitivity and eczema, especially in young population)
- Dermatologically tested

Composition

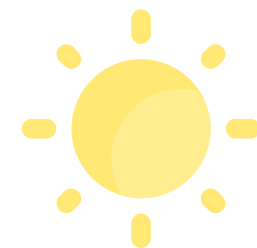

AQUA, ALCOHOL DENAT., GLYCERIN, HAMAMELIS VIRGINIANA (WITCH HAZEL) LEAF WATER, PANTHENOL, CAPRYLYL/CAPRYL GLUCOSIDE, ALLANTOIN, BISABOLOL, UREA, HAMAMELIS VIRGINIANA (WITCH HAZEL) LEAF EXTRACT, SODIUM COCOYL GLUTAMATE, POLYGLYCERYL-5 OLEATE, SODIUM BENZOATE, LACTIC ACID, POTASSIUM SORBATE, CITRIC ACID, GLYCERYL CAPRYLATE, POTASSIUM HYDROXIDE, PARFUM.

Step III:

Aloe Vera Active Gel(Daycare)

Anti-irritating moisturizing mask

A cooling mask for the face, neck and décolleté that intensively moisturises: The DERMASENCE Aloe Vera Active Gel soothes and smoothes – and is ideal for dehydrated, sensitive skin, even with rosacea, acne and after aesthetic treatments such as scrubs or Laser. The highly effective natural Aloe Vera extract has cooling and antipruritic properties and stimulates the skin's own repair properties. It regulates the moisture balance and calms irritated skin.

The Hamamelis extract has an anti-oxidative effect. Glycerin donates and binds moisture.

- Anti-irritative and cooling mask
- High levels of natural extracts of aloe vera leaves stimulate the skin's own repair properties
- Hamamelis extract has anti-inflammatory and antibacterial properties
- The gel has a positive effect on blemishes and small wounds
- Hydrates dehydrated and sensitive skin
- Soothes and cools irritations such as sunburn and insect bites
- The pleasant mask is ideal as a relaxing massage gel
- Skin friendly perfumed
- Dermatologically tested

Composition

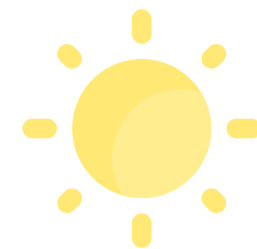

AQUA, BUTYLENE GLYCOL, GLYCERIN, AMMONIUM ACRYLOYLDIMETHYLTAURATE/VP COPOLYMER, PROPYLENE GLYCOL, ALOE BARBADENSIS LEAF JUICE POWDER, HAMAMELIS VIRGINIANA BARK/LEAF/ TWIG EXTRACT, TOCOPHEROL, LECITHIN, PEG-40 HYDROGENATED CASTOR OIL, ASCORBYL PALMITATE, PHENOXYETHANOL, BENZOIC ACID, o-CYMEN-5-OL, DEHYDROACETIC ACID, PARFUM, HYDROGENATED PALM GLYCERIDES CITRATE, CI 75810.

Step IV:

Cream Rich/Rich LSF 15 (Daycare)

Day care for dry skin

As a day care for sensitive, drier skin the DERMASENCE Cream Rich is particularly well suited. The contained hyaluronic acid binds the moisture in the upper layers of the skin, increases the elasticity of the skin and gives it a fresh look. Valuable oils such as avocado oil and shea butter provide the sensitive skin with a very good protection, while panthenol counteracts irritation. Vitamin E combats free radicals and relieves the strain of environmental influences.

- Hydrating care for dry, dehydrated and sensitive skin
- With vitamin E, avocado oil, hyaluronic acid and panthenol
- Free of phenoxyethanol
- Skin friendly perfumed
- Dermatologically tested
- Suitable as a make-up base

Composition

AQUA, PERSEA GRATISSIMA (AVOCADO) OIL, BUTYROSPERMUM PARKII (SHEA) BUTTER, CETEARYL ISONONANOATE, OCTYLDODECANOL, POLYGLYCERYL-3 METHYLGLUCOSE DISTEARATE, SORBITOL, GLYCERYL STEARATE, GLYCERIN, TOCOPHERYL ACETATE, PANTHENOL, XANTHAN GUM, CARBOMER, SODIUM HYALURONATE, TOCOPHEROL, LECITHIN, LACTIC ACID, CITRIC ACID, SODIUM LEVULINATE, SODIUM ANISATE, SODIUM HYDROXIDE, BENZOIC ACID, DEHYDROACETIC ACID, PARFUM.

Step V: Cream + Mask (Nightcare)

The DERMASENCE Cream + Mask with unsaturated fatty acids, hyaluronic acid and a vitamin complex is an intensive facial care for dry, dehydrated and sensitive skin. The evening primrose seed oil binds moisture in the skin and reduces its transepidermal water loss. Hyaluronic acid provides and stores additional moisture. Rough skin become supple and tender due to the included jojoba oil.

A vitamin complex made up of vitamins C, E, provitamin B5 and provitamin A provides the skin with intensive protection and optimal protection against environmental influences.

Intensive care for dry and sensitive skin

Apply as a daily care as well as a regenerating mask in the evening

Evening primrose seed oil and jojoba oil, with high levels of unsaturated fatty acids, reduce moisture loss and smooth out rough skin

Hyaluronic acid increases the moisture content of the skin

A combination of vitamins nourishes the skin

The cream leaves no greasy shine

For dry skin suitable as a make-up base

Skin friendly perfumed

Dermatologically tested

Composition

AQUA, CETEARYL ISONONANOATE, SIMMONDSIA CHINENSIS (JOJOBA) SEED OIL, OLEYL ERUCATE, OENOTHERA BIENNIS (EVENING PRIMROSE) OIL, GLYCERIN, POLYGLYCERYL-6 STEARATE, CETEARYL ALCOHOL, GLYCERYL STEARATE, DICAPRYLYL ETHER, PANTHENOL, TOCOPHERYLACETATE, SODIUM HYALURONATE, GLYCINE SOJA (SOYBEAN) OIL, DAUCUS CAROTA SATIVA (CARROT) ROOT EXTRACT, POLYGLYCERYL-6 BEHENATE, PROPANEDIOL, LECITHIN, SODIUM LEVULINATE, LACTIC ACID, CITRIC ACID, SODIUM ANISATE, SODIUM HYDROXIDE, XANTHAN GUM, CARBOMER, TOCOPHEROL, BENZOIC ACID, DEHYDROACETIC ACID, O-CYMEN-5-OL, PARFUM, BETA-CAROTENE.

Step VI: AHA Effects (Nightcare)

Fruit acid cream for Great-looking skin

Mild fruit acid cream for mature and dry skin. The active ingredients stimulate the body's own repair function and give the skin a radiant and fresher appearance. In a long-term treatment, they activate the body's own collagen formation. Soothing extracts of green tea are also suitable for sensitive skin

- Emulsion with fruit acid complex for intensive care
- The skin will look visibly smoother, and purer.
- Green tea extract has a calming effect on the skin
- Red grape extract provides protection against oxidative stress
- Skin friendly perfumed
- Dermatologically tested

Composition

AQUA, CANOLA OIL, CETEARYL ISONONANOATE, POLYGLYCERYL-3 DICITRATE/ STEARATE, GLYCERIN, LACTIC ACID, CETEARYL ALCOHOL, GLYCERYL STEARATE, GLYCERYL STEARATE CITRATE, TOCOPHERYL ACETATE, TOCOPHEROL, VITIS VINIFERA (GRAPE) FRUIT EXTRACT, CITRIC ACID, MALIC ACID, TANNIC ACID, GALACTOARABINAN, GLYCERYL CITRATE/LACTATE/LINOLEATE/ OLEATE, LECITHIN, CAMELLIA SINENSIS LEAF EXTRACT, XANTHAN GUM, CARBOMER, AMMONIUM ACRYLOYLDIMETHYLAURATE/ VP COPOLYMER, POTASSIUM HYDROXIDE, DICAPRYLYL ETHER, POTASSIUM SORBATE, BENZOIC ACID, DEHYDROACETIC ACID, POTASSIUM METABISULFITE, PARFUM.
